

JEWISH REFUGEES & THE HOLOCAUST

CONNECTING THE PAST WITH TODAY

WHY ATTEND THIS PROGRAM?

As the world struggles with the largest refugee crisis since WWII, Echoes & Reflections' content offers educators an opportunity to explore the history of Jewish refugees during the 30s and 40s and connect the lessons of intolerance, inaction, and indifference to how we understand today's refugee crisis.

WHAT IS ECHOES & REFLECTIONS?

Echoes & Reflections is the premier source for Holocaust educational materials and dynamic content, empowering teachers and students with the insight needed to question the past and foresight to impact the future. We partner with educators to support them, foster confidence, and amplify their skills and resources to teach about the Holocaust in a comprehensive and meaningful way.

PROGRAM GOALS

Through this program, educators will:

- 1 Explore a sound pedagogy for the planning and implementation of Holocaust education in the classroom;
- 2 Enhance personal knowledge about the Holocaust, and specifically the plight of Jewish refugees;
- 3 Discover and utilize multimedia assets, including visual history testimonies and additional resources, such as IWitness, a companion website with interactive student-centered activities, and
- 4 Identify opportunities to connect the lessons of the Holocaust with today's refugee crisis.

"The content allows for connections to be made across time and place. As global citizens, students can take action right where they are. I could go on... this workshop enlightened me."
